# ADMISSION AND REGISTRATION

## New Cascadia Students: How to Apply

### 1. Apply for admission

[Apply online](#) up to up to one week prior to the start of the quarter.

After we receive your application, we will send you a student ID number via email. Processing applications for admissions will take approximately 2 business days.

### 2. Meet Prerequisites and Register for Classes

#### NEW STUDENTS (First time college student)

- Go to [Cascadia's placement webpage](#) for ways to meet the prerequisites for English and math courses.
- **Smarter Balanced Assessment**  
Students with smarter balanced assessment scores that are admitted and enrolling the academic year immediately following high school graduation or who are seeking to participate in Running Start may use their [Smarter Balanced Assessment/Achievement Score Level](#) for placement.

- **High School Transcript English and Math Placement**

Submit a copy of your high school transcript to Cascadia College. Students who have graduated from high school within two years or are in Running Start, may be placed according to the [HS Transcript English and Math Placement](#) chart.

Note: Due to impacts of COVID-19, we will not be able to determine placement using Spring 2020 grades. In order to determine placement, you will need to complete an [Accuplacer](#) assessment.

- **Placement Reciprocity**

A student who qualifies for a specific level of pre-college math, English, or reading, either through course completion or local skills assessment, will have that course placement level honored at another Washington CTC if the student so requests, even if the courses may not be exact equivalents. A student who qualifies for entry into college-level math, English, or reading, either through course completion or local skills assessment, will be considered to have met the entry college-level standard at every community and technical college. Students requesting reciprocity must initiate the process within one year of their initial placement assessment.

- » **Email your placement documents (Accuplacer score report or other documents) to [admissions@cascadia.edu](mailto:admissions@cascadia.edu) and request for Placement Reciprocity.**
- » **Your placement information will be determined once you submit the request form.**
- **College Transcripts**  
Students with prior college credits can possibly meet course prerequisites by meeting with an advisor and submitting unofficial transcripts for an unofficial evaluation of transferable credits to satisfy English and math prerequisites. To schedule an appointment with an advisor, please complete the online Appointment Request Form on the [Academic Advising webpage](#). Unofficial transcripts must be emailed to [advising@cascadia.edu](mailto:advising@cascadia.edu) at least 48 hours prior to your appointment with the advisor.

Note: If your math coursework is over 24 month old and/or your coursework does not satisfy English prerequisites, you may need to take the Accuplacer assessment.

- **Advanced Placement (AP)**

Complete the online [Transcript Evaluation Request Form](#) for scores to be evaluated and credits transferred to Cascadia.

- » A maximum of 30 alternative credits (AP and/or IB) may be used toward any degree.

- **International Baccalaureate (IB) Credit**

Send your official IB transcript to Enrollment Services to receive IB credit. Name Cascadia as a recipient when registering for IB exams or submit a transcript request to IB North America. Then complete the online [Transcript Evaluation Request Form](#) and for scores to be evaluated and credits transferred to Cascadia.

- » A maximum of 30 alternative credits (AP and/or IB) may be used toward any degree.

- **Placement Assessment**

The English and math assessments are available through the Kodiak Corner. There is a non-refundable fee for each time you take the assessment and photo ID such as a driver's license or passport is required. Allow approximately two hours to finish the assessment.

In an effort to comply with Washington's Stay Home, Stay Healthy order and to increase our social distancing efforts, students who need to complete a placement assessment can complete the Accuplacer online with a remote proctor. Go to our [Accuplacer](#) webpage. If you have questions about placement options, email [admissions@cascadia.edu](mailto:admissions@cascadia.edu).

- **How Do I Register?**

New students attend a new student orientation, CORE – Cascadia's Orientation and Registration Experience. Go to the [CORE Schedule](#) to sign up for online CORE sessions.

- **How do I submit placement information?**

Please submit your placement documents to [enrollment@cascadia.edu](mailto:enrollment@cascadia.edu).

#### TRANSFER STUDENTS (1+ quarters of college experience)

- **Submit College Transcripts and Meet with an Advisor**

To schedule an appointment with an advisor, please complete the online Appointment Request Form on the [Academic Advising webpage](#). Email unofficial transcripts to [advising@cascadia.edu](mailto:advising@cascadia.edu) for an unofficial evaluation of transferable credits and to satisfy English and math prerequisites.

You may need to take the [Placement Assessment](#) if your math coursework is over 24 months old and/or your coursework does not satisfy the English prerequisites. For an official evaluation and transfer of credits, submit official transcripts to Cascadia and a completed [Transcript Evaluation Request Form](#) to [Kodiak Corner](#).

## Wait Lists

The wait list feature offers students a fair and consistent method of being enrolled in a full class if an opening occurs. Wait lists are not offered for all classes.

### 1. Place your name on a maximum of three different course waitlists.

Go to online registration. You may not select different sections of the same course.

### 2. Clear all holds on your student account.

These include parking fines, library fines, outstanding debts, or unpaid fees prior to the automated enrollment or lose your place in the class.

### 3. Check your student schedule daily.

Go to the Cascadia waitlist to find out if you have been automatically enrolled for the waitlisted class. You will receive an email notification that you have been enrolled in a class. If you have been enrolled, pay your tuition by the tuition deadline, **Dec. 2**.

**If the tuition deadline has passed, pay your tuition within one business day of registration. Remove your name from the wait list if you decide you don't want to enroll in a class to avoid being automatically enrolled and charged tuition.**

### 4. Clear all scheduling conflicts.

These include time conflicts, enrollment into multiple sections of the same class, or being enrolled for over 24 credits without prior authorization to avoid being dropped from the class that caused the conflict.

# ADMISSION AND REGISTRATION

### Administrative Withdrawal from a Class

Students may be administratively withdrawn from a class if they fail to attend class or to contact their instructor regarding their attendance by the end of the second class meeting. Degree seeking students who do not meet course prerequisites will be administratively withdrawn from the class at the instructor's discretion.

**Students are responsible for checking their enrollment status and should not rely on an administrative withdrawal by the faculty if they do not intend to complete a course.**

## Residency

Students wishing to petition the college to change their non-resident classification should complete the [residency questionnaire](#) and submit it, with copies of three different proofs of residency to Kodiak Corner. Visit the [Cascadia website](#), refer to the [catalog](#), or visit Kodiak Corner/Student Services Center to inquire about exceptions.

# TUITION PAYMENT AND REFUNDS

## Tuition

### Tuition for Lower & Upper Division Courses

Rates include operating, building, and student activities fees. A student must carry at least 12 credits to be considered full-time for funding from federal and state financial aid programs, Veterans Administration, Social Service, and most other outside agencies. The college reserves the right to change any fees without notice to comply with state or college regulations or policies.

## ABE, ESL, HS+ & GED Tuition

There is a \$25 tuition charge per quarter to students enrolled in one or more [Basic Education for Adults \(BEAd\)](#), [English as a Second Language \(ESL\)](#), [High School +](#), and [General Education Development \(GED\)](#) classes. Students who demonstrate financial need and meet eligibility requirements may qualify for a tuition waiver. Please call 425.352.8158 for more information.

## Payment

### **If you register for classes BEFORE the tuition deadline:**

You must pay tuition and fees by **Dec. 2**. If you do not pay on time, you will be withdrawn from classes.

### **If you register AFTER the tuition deadline:**

- You must pay tuition and fees within one business day of registration.
- If your check is returned due to insufficient funds or a stop payment order, you will be charged \$25 per check and your registration will be cancelled. For questions regarding payment, email [enrollment@cascadia.edu](mailto:enrollment@cascadia.edu).
- If a student has received notification that he/she has been awarded financial aid, the student is responsible to check [Cascadia's ctcLink website](#) for the award amount(s) per quarter. If the student is registered for a quarter, and a financial aid award exists for that quarter, the student should verify if the amount awarded is enough to cover the tuition cost for the quarter. If the tuition exceeds the financial aid award, the student is responsible to pay the tuition difference by the tuition deadline each quarter, or within 24 hours of registering. If payment is not made for the difference not covered by financial aid, a student may risk losing his/her spot in class. Please keep in mind that, unless otherwise notated on [Cascadia's ctcLink website](#), financial aid awards are made at a full-time status. If a student does not intend to be full-time (12 or more credits) in any given quarter, they should notify the financial aid office by submitting a completed [Enrollment Status Change Form](#) found on Financial Aid section of the Cascadia website. Notifying the financial aid office will allow your financial aid award to be adjusted to reflect your enrollment level, assuming it is less than full-time. Financial aid awards are not applied to tuition totals until just prior to the start of the quarter.

# DEGREES AND CERTIFICATES

## Academic Transfer Degrees

An associate degree prepares you for employment or for transfer to a four-year college. To receive an associate degree you must complete 90-105 credits (two years of full-time study), complete at least 25 of your degree credits at Cascadia, and receive a grade point average (GPA) of at least 2.0 in all courses that apply to your degree, including courses at other colleges.

If you plan to apply for transfer to a four-year college, contact the admissions office and an academic advisor in your chosen major at that college to confirm admission requirements. You do not need to complete a degree at Cascadia to be eligible to transfer to a four-year college. Your transfer will be simplified if you complete a degree with a DTA or MRP.

Degrees which have the DTA (Direct Transfer Agreement) indicator are designed to allow you to transfer degree credits to most public four-year colleges in Washington. Degrees which have the MRP (Major-Related Programs) take the DTA one step further by specifying the prerequisite coursework that will provide the best preparation for entry into certain competitive majors.

[See the Cascadia website for degree information.](#)

- Associate in Biology (DTA/MRP)
- Associate in Business (DTA/MRP)
- Associate in Integrated Studies (DTA)
- Associate in Integrated Studies – Global Studies Emphasis

## Bachelor of Applied Science Degrees

Cascadia has two applied bachelor degrees:

[Sustainable Practices](#)

[Mobile Application Development](#)

Both programs follow a cohort model with a Fall quarter start date. Cascadia will begin accepting applications for the Fall 2021 Cohorts in January 2021, with a **priority application date of April 16, 2021**. Visit Cascadia's website for more information about each program's admission requirements.

## Professional Technical Transfer Degrees: Associate in Applied Science

An **associate in applied science (AAS-T) degree** is designed to prepare you for employment in a specific field and has limited transferability. An AAS-T contains a minimum of 20 credits of generally transferable academic core courses. An AAS-T typically transfers to applied baccalaureate degrees or by an articulation to a specific university. All AAS-T degrees require you to complete 90-98 credits, or two years of full-time study.

# GENERAL INFORMATION

## Accreditation

Cascadia College is accredited by the Northwest Commission on Colleges and Universities.

Accreditation of an institution of higher education by the Northwest Commission on Colleges and Universities indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the Northwest Commission on Colleges and Universities is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding an institution's accredited status by the Northwest Commission on Colleges and Universities should be directed to the administrative staff of the institution. Individuals may also contact:
