# TUITION PAYMENT AND REFUNDS

## State Support for Higher Education

Through Opportunity Pathways, Washington State provides a variety of financial aid programs to help students and their families pay for college. Pursuant to RCW 28B.15.0681, the approximate level of state support received by students is being provided to the colleges.

The following table indicates average state support by tuition category for students attending community and technical colleges for the academic year 2013-2014. Please see our [website](#) for up-to-date information.

Undergraduate	Resident Undergraduate	Nonresident
Instructional Cost per FTE Student	\$6,282	\$6,282
Operating Fee	\$3,217	\$8,052
Net State Support per FTE Student	\$3,065	—

The following table indicates the amount of state supported financial aid including that provided from local institutional financial aid fund (3.5%).

	State Financial Aid	Institutional Financial Aid
Undergraduate Resident	\$845*	\$111**
Undergraduate Nonresident	\$ 0	\$ 0**

\*Includes State Work Study, State Need Grant, and all other financial aid programs administered by the HECB, and four SBCTC administered programs: Opportunity Grants and Worker Retraining Financial Aid.  
\*\*State and institutional financial aid is not available to nonresidents.

NOTE: Data source provided by the State Board for Community and Technical Colleges is available upon request. If you have any questions, please contact Scott Copeland at (360) 704-4397 or [scopeland@sbctc.edu](mailto:scopeland@sbctc.edu).

## PAYMENT

### If you register for classes BEFORE the tuition deadline:

You must pay tuition and fees by June 3, in person by 5:30 PM or [online](#) by 9:30 PM. If you do not pay on time, you will be withdrawn from classes.

### If you register AFTER the tuition deadline:

You must pay tuition and fees within one business day of registration.

If your check is returned due to insufficient funds or a stop payment order, you will be charged \$25 per check and your registration will be cancelled. For questions regarding payment, call **425.352.8860** or visit [Kodiak Corner/Student Services Center](#).

If a student has received notification that he/she has been awarded financial aid, the student is responsible to check the [Student Financial Aid Portal](#) for the award amount(s) per quarter. If the student is registered for a quarter, and a financial aid award exists for that quarter, the student should verify if the amount awarded is enough to cover the tuition cost for the quarter. If the tuition exceeds the financial aid award, the student is responsible to pay the tuition difference by the tuition deadline each quarter, or within 24 hours of registering. If payment is not made for the difference not covered by financial aid, a student may risk losing his/her spot in class. Please keep in mind that, unless otherwise notated on the [Portal](#), financial aid awards are made at a full-time status. If a student does not intend to be full-time (12 or more credits) in any given quarter, they should notify the financial aid office by submitting a completed [Enrollment Status Change Form](#) found on Financial Aid section of the Cascadia website. Notifying the financial aid office will allow your financial aid award to be adjusted to reflect your enrollment level, assuming it is less than full-time. Financial aid awards are not applied to tuition totals until just prior to the start of the quarter.

## REFUNDS

Students may drop or withdraw from classes. **However, refunds are not calculated or disbursed until after the 100% and 50% drop dates.**

You may receive a refund if you drop or withdraw:

- Due to class cancellation by the college (100% refund)
- By July 9, 4:30 PM in person or 9:30 PM [online](#) (100% refund)
- By July 21, 4:30 PM in person or 9:30 PM [online](#) (50% refund)

If payment was made by:

- Cash or check a refund check will be mailed in 4-6 weeks
- If payment was made by Financial Aid, a refund check will be mailed once your account is reviewed for eligibility of funds.
- Credit or debit card, a refund will be posted to the account within 10 business days

Address changes may be updated [online](#) or at Kodiak Corner. For questions regarding your refund, please contact the Finance Office at **425.352.8151**.

If a student is receiving financial aid and withdraws from all of his/her classes, any tuition refund will be returned to the financial aid program according to federal regulations. A student may also be required to repay a portion of the financial aid received and will not be eligible for future financial aid until all repayments are returned to the college. In addition, a hold will be placed on academic transcripts until all payment obligations to the financial aid programs and to the college are satisfied. # DEGREES AND CERTIFICATES

## ACADEMIC TRANSFER DEGREES

An **associate degree** prepares you for employment or for transfer to a four-year college. To receive an associate degree you must complete 90-105 credits (two years of full-time study), complete at least 25 of your degree credits at Cascadia, and receive a grade point average (GPA) of at least 2.0 in all courses that apply to your degree, including courses at other colleges.

If you plan to apply for transfer to a four-year college, contact the admissions office and an academic advisor in your chosen major at that college to confirm admission requirements. You do not need to complete a degree at Cascadia to be eligible to transfer to a four-year college.

Degrees which have the DTA (Direct Transfer Agreement) indicator are designed to allow you to transfer degree credits to most public four-year colleges in Washington. Degrees which have the MRP (Major-Related Programs) take the DTA one step further by specifying the prerequisite coursework that will provide the best preparation for entry into certain competitive majors.

# GENERAL INFORMATION

## ACCREDITATION

Cascadia College is accredited by the Northwest Commission on Colleges and Universities.

Accreditation of an institution of higher education by the Northwest Commission on Colleges and Universities indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the Northwest Commission on Colleges and Universities is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding an institution's accredited status by the Northwest Commission on Colleges and Universities should be directed to the administrative staff of the institution. Individuals may also contact:

Accreditation by the Northwest Commission on Colleges and Universities refers to the institution as a whole. Therefore, statements like "fully accredited" or "this program is accredited by the Northwest Commission on Colleges and Universities" or "this degree is accredited by the Northwest Commission on Colleges and Universities" are incorrect and should not be used.
