A student who qualifies for entry into college-level math, English, or reading, either through course completion or local skills assessment, will be considered to have met the entry college-level standard at every community and technical college. Students requesting reciprocity must initiate the process within one year of their initial placement assessment.

   Go to [Online Registration](#). You may not select different sections of the same course.

TUITION PAYMENT AND REFUNDS

TUITION

Tuition for Lower & Upper Division Courses
Rates include operating, building, and student activities fees. A student must carry at least 12 credits to be considered full-time for funding from federal and state financial aid programs, Veterans Administration, Social Service, and most other outside agencies. The college reserves the right to change any fees without notice to comply with state or college regulations or policies.

ABE, ESL, AND GED TUITION
There is a $25 tuition charge per quarter to students enrolled in one or more Basic Education for Adults (BEdA), English as a Second Language (ESL), and General Education Development (GED) classes. Students who demonstrate a need may have the tuition fee waived. Please call 425.352.8158 for more information.

PAYMENT

If you register for classes BEFORE the tuition deadline:
You must pay tuition and fees by Dec. 7, in person by 5:30 PM or online by 9:30 PM. If you do not pay on time, you will be withdrawn from classes.

If you register AFTER the tuition deadline:
• You must pay tuition and fees within one business day of registration.
• If your check is returned due to insufficient funds or a stop payment order, you will be charged $25 per check and your registration will be cancelled. For questions regarding payment, call 425.352.8860 or visit Kodiak Corner/Student Services Center.

If a student has received notification that he/she has been awarded financial aid, the student is responsible to pay the tuition difference by the tuition deadline each quarter, or within 24 hours of registering. If payment is not made for the difference not covered by financial aid, a student may risk losing his/her spot in class.

The actual tuition a student pays will vary due to credit load, residency status and other factors.

State Support for Higher Education
Through Opportunity Pathways, Washington State provides a variety of financial aid programs to help students and their families pay for college. Pursuant to RCW 28B.15.0681, the approximate level of state support received by students is being provided to the colleges.

The following table represents an average for a full-time equivalent, lower division resident student attending community and technical colleges for the academic year 2015-16.

| Instructional Cost per FTE Student | $7,126 |
| Operating Fee* | $3,056 |
| Net State Support per FTE Student** | $4,070 |

* Operating Fee amount is based on the full-time equivalent operating fee for lower division classes.
** The Net Support per Student FTE is the amount paid by the state from taxes and other funds.

FINANCIAL AID REFUNDS
If a student is receiving federal financial aid and withdraws from all of his/her classes, any tuition refund will be returned to the financial aid program according to federal regulations. A student may also be required to repay a portion of the financial aid received and will not be eligible for future financial aid until all repayments are returned to the college. In addition, a hold will be placed on academic transcripts until all payment obligations to the financial aid programs and to the college are satisfied. Visit Kodiak Corner/Student Services Center for more information on financial aid refunds or visit the Cascadia website.
FINANCIAL AID

Student Financial Services offers grants, loans, scholarships, and work-study employment to assist eligible students. Students must be admitted and enrolled in an eligible program for a minimum of six credits at Cascadia to receive most types of assistance. For information and applications, contact Kodiak Corner/Student Services Center at 425.352.8860 or finaid@cascadia.edu.

DEGREES AND CERTIFICATES

ACADEMIC TRANSFER DEGREES

An associate degree prepares you for employment or for transfer to a four-year college. To receive an associate degree you must complete 90-105 credits (two years of full-time study), complete at least 25 of your degree credits at Cascadia, and receive a grade point average (GPA) of at least 2.0 in all courses that apply to your degree, including courses at other colleges.

If you plan to apply for transfer to a four-year college, contact the admissions office and an academic advisor in your chosen major at that college to confirm admission requirements. You do not need to complete a degree at Cascadia to be eligible to transfer to a four-year college. Your transfer will be simplified if you complete a degree with a DTA or MRP.

Degrees which have the DTA (Direct Transfer Agreement) indicator are designed to allow you to transfer degree credits to most public four-year colleges in Washington. Degrees which have the MRP (Major-Related Programs) take the DTA one step further by specifying the prerequisite coursework that will provide the best preparation for entry into certain competitive majors.

See the Cascadia website for degree information.

- Associate in Business (DTA/MRP)
- Associate in Integrated Studies (DTA)
- Associate in Integrated Studies (DTA- Global Studies Degree)

ACCREDITATION

Cascadia College is accredited by the Northwest Commission on Colleges and Universities.

Accreditation of an institution of higher education by the Northwest Commission on Colleges and Universities indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the Northwest Commission on Colleges and Universities is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding an institution’s accredited status by the Northwest Commission on Colleges and Universities should be directed to the administrative staff of the institution. Individuals may also contact:

Northwest Commission on Colleges and Universities

Accreditation by the Northwest Commission on Colleges and Universities refers to the institution as a whole. Therefore, statements like “fully accredited” or “this program is accredited by the Northwest Commission on Colleges and Universities” or “this degree is accredited by the Northwest Commission on Colleges and Universities” are incorrect and should not be used.
