

VMware Horizon HTML Access to run in your browser:

1. This system works best with Google Chrome, but it will work in Internet Explorer and Mozilla Firefox.

2. In the address bar type in <https://desktop.cascadia.edu/>

3. Click **[VMware horizon HTML Access]**.

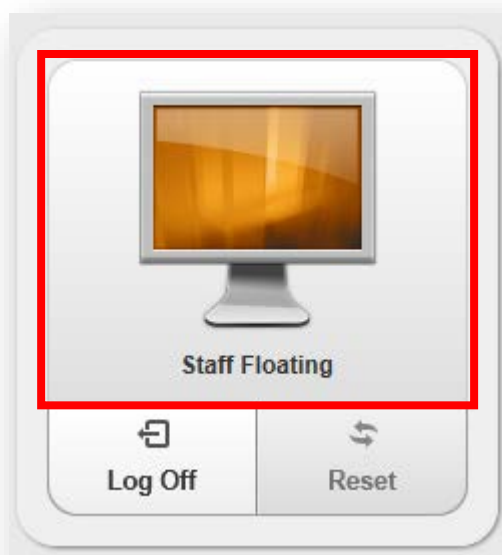

- You will be asked to provide credentials. Enter your employee username, password and change domain to 'EMPLOYEE'. Click **[Login]**.

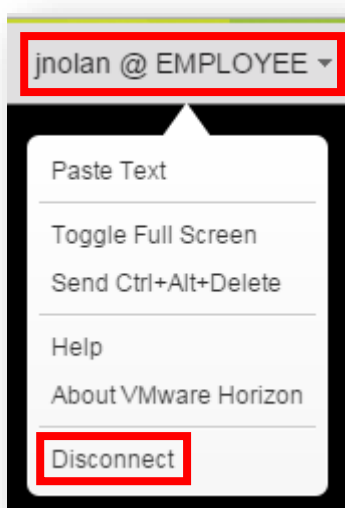

The screenshot shows a 'Log In' dialog box for VMware Horizon. It features three input fields: 'Username' with the value 'jnolan', 'Password' which is masked with dots, and 'Domain' which is a dropdown menu currently showing 'EMPLOYEE'. At the bottom right, there are two buttons: 'Cancel' and 'Sign In'. The 'Sign In' button is highlighted with a red rectangular box.

- Click on the View that you would like to use. Employees tend to use **[Staff Floating]** or **[Faculty Floating]**.

- When you are done with your session, click the gray triangle at the top, click username@EMPLOYEE and click **[Disconnect]**.

If you have any problems, please contact the Information Services Helpdesk. Reference what documentation you have tried and provide a synopsis of the issue you are having. You can call the Helpdesk at **425-352-8228** (ext. 2-8228) or email them at helpdesk@cascadia.edu.
