a. President, Atlas Turner:

i. Cookies and Conversation Reminder

Tomorrow (Wednesday Dec 7th) from 1 – 2:30 pm. Connecting with Shandy about Hillcrest Bakery, the cookie platter will be available, but we are currently down to 1 credit card so there might not be enough remaining funds on the card to complete the purchase.

Daniel Volunteered for Sunday December 11th to help hand out snacks for finals week.

Sue volunteered for Monday December 12th for the same idea.

b. Vice President, Daniel Perez: -

Shandy and Daniel discussed the Involvement Fair, and how it really isn't a "fair", trying to push for more investment from the clubs so that it more closely resembles an actual fair, and so that their club "presentation" will be more appealing rather than a simple name tag stating their club name.

c. Director of Budget and Finance, Sue Jung:

8 plastic bag full of donations given to Mary's Place.

d. Director of Government Relations, Cassie:

i. Wednesday January 4th Cookies and Conversation/ Or Wednesday January 11th Cookies and Conversation

She wanted to do the event on the 4th because local representatives go back to Olympia a week later, and wanted some of them to come to campus before the long session.

Having it on Wednesday the 11th will be the day they leave, and will be a good opportunity to talk about why they are going, in addition it will be before the Friend Request round 2.

- e. Director of Pluralism and Inclusion, Zainab Alhassani:
- f. Director of Public Relations and Technology, Eric Dimitrovich:

Gave a little run-down of which professors responded to the request to come visit their classrooms. Will be creating a spreadsheet and sending that out to CSG.

VII. Advisor Report, Becky Riopel: - Excused

VIII. Committee Reports-

- a. Special:
- b. Standing:
 - i. Student Learning Council –
 - ii. Commuter Services Task Force – Meeting next Friday
 - iii. WACTCSA –
 - iv. Pluralism Committee –

January 20th is inauguration, and there have been discussions on having a huge screen playing the inauguration.

Eric suggested having it in the Arc, with a projector screen.

Atlas suggested to keep it in the Vista, and to have discussion topics lead by professors.

Also discussed sanctuary campuses, and why UWB should be called a sanctuary campus. Dr. Murray wanted to call Cascadia a sanctuary campus, although the word choice of sanctuary could potentially bring federal problems. Because students at Cascadia are under FERPA, ICE and other organizations cannot come to campus and demand papers from students proving their legality.

- v. Information Security and Management Council – First meeting on December 15th.
- vi. ARC Committee –

Voted on the financial code of conduct, and the contingency fund.

Voted on the hours of operation for the 2017-2018 fiscal year.

ARC will be closed for 2 weeks in the Summer / Winter to train new employees.

Voted on professional staff funding. Historically are paid for by 2/3 UW staff funds and 1/3 CC S&A fees. Voted on no longer requesting funds from student fees from either institution and having the funding be earned entirely from the revenues of the building.

The ARC fee will likely fluctuate throughout the upcoming years although it is projected to fluctuate in a downward trend.

vii. Budget Council –

Meeting was cancelled last week; the meeting will be this week after this meeting.

viii. S&A Budget Committee – Next Spring

ix. Navigators –

Discussed the master plan of CC4 and CC5 is planned to be approved soon. A new parking lot will be built within the next 5 years.

CC4 and CC5 will have to be LEED certified, and wants them to be very close to campus, instead of being “a mile away”.

Discussed reserved parking, in the new parking lot there will not be any reserved parking.

x. Board of Trustees (Student Representative) –

Cassie Rudolph will be sitting in on the Board of Trustees meetings.

IX. Old/ Unfinished Business-

X. New Business:

- a. Spreadsheet Calendar for Classroom visits

c. Revisiting Goals Sheet

(Eric will be making an updated list specifically for Winter Quarter)

Textbook Accessibility → there are currently two staff working on improving this. In addition, its one of WACTSA’s white paper initiatives

1st Generation → Being worked on through Cookies and Conversation event

Increase Electives → Talked to Rosemary Sutton, the advice given was that there is not enough room, and that it should be tabled for a later date. In addition, we could do increased electives through clubs.

Math & Science Support → (Zainab’s goal for Winter Quarter)

Essay Support → (tabled to either Winter or Spring quarter)

ELP & International Support → Wants to create a partnership between Language Café and International Programs

Real Talk (conversation topics / ball pit) → Will be starting Winter Quarter

Student Voice in the campus strategic planning → Convinced professor to have class during the scoping session of the Master Plan.

Address perception of Cascadia as Upper Middle Class → Many issues that are faced on a State level, are not the same that are faced by Cascadia students.

Transient Student body → We have to accept that many of our students are mobile, and we have to figure out how to send student engagement with them instead of always having them have to be on campus in order to be involved.

Leadership Programs & Service Opportunities for clubs → Shandy told Daniel to postpone this for Winter Quarter.

Daniel wanted to become an officer of Phi Theta Kappa and to help make the chapter more active.

Inclusive Club Memberships → Through involvement fair, and having the clubs present themselves more.

Video Testimonials (tactic) → Through film club, debuting at Friend Request round 2

Friend Request → Awesome event, Friend Request round 2 will be hosted on January 11th.

Coffee & Tea with CSG → Great event, trying to get clubs to attend more consistently.

Inclusive Social Media → Postponing to a later quarter

Kodiak Footprints → Looking for Decals to stick on the pavement. Need to talk and get approval from College Relations.

Classroom Visits → Formulating classroom visits for next quarter.

Student of the Month → Having a student of the month, its something that we used to have. Section off a portion

Compliment days → Connect with Anna about making compliment cards and handing them out to people.

CSG Bonding → Take a weekend to bond sometime next quarter.

Swap-meet Donations → Need to check the rules on having such donations, the idea will be postponed until Spring quarter. Wants to invite local businesses to attend as well.
