VII. Advisor Report, Becky Riopel:

Stressed that committee reports are to be done prior to meetings, and won't be verbally addressed unless there is an actionable item.

CSG meetings (now that they are an hour) will be more operational in terms of the greater emphasis on voting.

Budget requests will now be sent electronically so that they can be viewed over before the meeting.

Becky took the top “finalists” for the CSG Swag we had previously discussed. We are going to be re-looking at these and voting next week on which we want to buy.

Reviewing the job descriptions. Becky highlighted several job descriptions to pay special attention to when deciding where they go. Will be finalized next meeting

The applications for next year’s Student Life is due April 14th.

If there is anyone that you think will be a good fit, feel free to nominate them!
