Important Information for Club Leaders

Attendance policy

A club representative is expected to attend scheduled Club Council meetings. When a club has two unexcused absences, a written warning will be issued. At three unexcused absences, the club can lose their recognition status. Excused absences include academic exams, representation of the club at an off-campus function or as deemed excusable in consultation with the Student Life Advisor or his/her designee in the event of the Student Life Advisor is absent. The absence must be excused at least 24 hours in advance; otherwise the absence may be marked as unexcused. To request an absence, an email must be sent to the CSG Vice President and the Student Life Advisor with reason for absence.

Club Budget

Once a club is approved, the club must either attend a scheduled club training session or must meet with the Director of Student Life or his/her designee to review the Club Handbook.

Discrimination Policy

No student shall be discriminated against on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, or disability. Hazing of any kind will not be tolerated and will be subject to the college’s provisions under the student code of conduct.
