Priority Consideration Deadline: APRIL 15, 2016*  
Quarterly Consideration Deadline: College’s tuition due date for the quarter

*Applicants who meet the priority deadline will have access to more sources of eligible funding. If you are applying after April 15th, please complete your file as soon as possible. The quarterly deadline to receive a tuition hold is the College’s published tuition deadline. To receive a tuition hold, a student must submit all necessary documents required by the College or Department of Education by the quarterly tuition deadline. In order to allow enough time to be notified of the documents that are needed to complete your file, you should complete the steps below at least a week before the tuition deadline for the quarter(s) in which you want to attend. Those who apply after the tuition deadline for their first quarter of enrollment or reinstatement must pay their tuition at the time of registration, and will be reimbursed, if eligible and if funds remain available.

## CONDITIONS OF AWARD

1. I understand that financial aid is awarded for a full-time course load (12 credits or more), unless otherwise specified on the award letter. Financial aid is available for students going less than full-time, but students are required to notify the financial aid office in writing using an Enrollment Status Change Form, at least 7 days prior to the start of the quarter, of their enrollment status being less than full-time. **Once aid is canceled or reduced, it may only be reinstated with available funds.**

2. I understand that I am required to attend classes to earn financial aid. I agree that if I withdraw, stop attending classes, or fail to complete the required number of credits for which I was given aid, I will notify the Student Financial Services office and, if necessary, arrange for the repayment of aid advanced to me for which I am no longer eligible.

3. I understand that I must make satisfactory academic progress to receive financial aid. Financial aid may be terminated for failure to make satisfactory academic progress. This means that I must complete my degree within an established time frame, maintain a minimum cumulative grade-point average (2.0), and successfully complete the minimum number of credits each quarter for which aid is received. I understand that I am responsible for knowing the information contained in the Satisfactory Academic Progress Policy (available on the Cascadia website under the Financial Aid section).

4. I understand that the offer of aid is dependent upon federal and state allocations to the college. Cascadia College reserves the right to withdraw, reduce or modify awards subject to the continuing availability of funds, and continued participation in the programs.

5. I understand that I must enroll in an eligible program of study at Cascadia College and the classes I take must be required for that program. 100 level or greater pre-requisite classes are not covered by financial aid unless it is a course listed in the degree completion requirements. I am aware that it is fully my responsibility to know my degree requirements and work with an academic advisor to ensure that my classes will meet degree requirements and financial aid eligibility. If it is determined that I take classes that do not meet financial aid requirements, I may be required to repay all or part of my aid received. **If you intend to transfer to another school, and your program of study allows you to choose your electives, it is recommended that you take any prerequisite requirement courses as electives in your first year of attendance.**

6. I understand that the award is based on information I have provided about my financial status. I agree to report to the Student Financial Services office any changes in my financial situation, including, but not limited to: changes in marital status, address, Washington State residency status, any additional income, scholarships or other funds I may receive after receiving the award letter. I understand that these changes may result in a reduction of awards and/or require repayments of aid already received.

7. I understand that Cascadia may request and review transcripts from any prior college before making my award.

8. I certify and agree that I will comply with the additional conditions listed below if I am awarded and receive a STATE NEED GRANT (SNG), PASSPORT TO COLLEGE (PTC) or the COLLEGE BOUND SCHOLARSHIP (CBS):
   - a. I am a resident of the State of Washington, in accordance with the RCW 28B.15.012 (a) to (d);
   - b. I am registered at Cascadia College in an educational program that leads to an approved degree or certificate and am making satisfactory progress toward completion of my degree, certificate or program objective;
   - c. I do not owe a refund or repayment on a State Need Grant, a Federal Pell Grant, or a Federal Supplemental Educational Opportunity grant, nor am I in default on a loan under the Federal Perkins Student Loan, National Direct Student Loan, Federal Family Educational Loan programs, or William D. Ford Federal Loan programs.
   - d. I understand that when I am able, I can voluntarily make financial contributions to the Washington Student Achievement Council (WSAC) in recognition of the SNG, PTC or CBS programs, and that these gifts will be used to provide financial assistance to other students.
   - e. I understand that SNG awards are limited to a maximum of 15 full-time quarters of eligibility, and 12 quarters within 5 years of high school graduation for CBS. Students may only receive the SNG, PTC or CBS at Cascadia if they have not received a Bachelor’s degree, and/or if 5 years have elapsed since receiving an Associate’s degree in which SNG or CBS funds were awarded for the degree. In either case, students must be within **125%** of the standard length of their enrolled program to remain eligible for SNG, PTC or CBS.

   If I deliberately falsify, misrepresent or fail to fully disclose information on my financial aid application, I can be terminated from financial aid. If I receive funds based on misrepresented information, I will be required to repay the funds and may be reported to the US Department of Education for possible fraud.

---

**BY SIGNING BELOW, I UNDERSTAND AND AGREE** to the outlined information and conditions of award listed above. I declare that I will use all funds I receive (federal and state) for expenses associated with attendance at Cascadia College.
