## Hello! Message from the President

Nowhere else in the United States has a community college been purposefully and intentionally built on a co-located site with a major university. That's what makes Cascadia unique -- we share our campus with the University of Washington, Bothell.

Our students learn in a university atmosphere with access to university resources while paying a lower cost. And, no matter where a student begins on their academic journey, they finish at Cascadia ready to thrive at any university in the country. Cascadia takes pride that we have one of the highest university transfer rates in the nation.

Last year,

- our enrollment increased over 20%.
- 90% of our students stayed on with us through the whole year.
- we awarded more scholarship support than ever before.
- we opened an \$80M STEM building.
- we expanded our classes offered on our Bothell campus, and at Cascadia College Redmond.

**Dr. Eric Murray**  
Cascadia College President

As we begin to celebrate 25 years of growth and quality education, we know our community and university partners have stood by us for the benefit of our students. We are 25 years strong and continue to excel at what we do.

**Thank you for supporting Cascadia!**

# THANK YOU FROM OUR STUDENTS

**“ I am forever grateful for these scholarships and the generosity of the donors. I would not have been able to complete my degree at Cascadia without their support. With this degree, I am now able to pursue meaningful employment in sustainability and equity.”**

- Morgan McShea, John & Margaret Bock Memorial Endowed Scholarship,  
Biella Foundation Community & Technical College Scholarship  
and Founders & Trustees Scholarship
