**BP01: 05.010 Strategic Planning and Accreditation**

Cascadia College shall provide educational services to the residents in Community College District 30 of the State of Washington and shall be guided by the College's Strategic Plan, developed annually, under authority of the President. The Board of Trustees shall provide, through a collaborative annual process, strategic directions, which shall guide the strategic planning process of the College.

In conjunction with the Strategic Plan, the Board of Trustees shall develop annually, under the authority of the President, accreditation themes, objectives, and outcomes as stipulated by the Northwest Commission for Colleges & Universities.
