

**ARTICULATION AGREEMENT BETWEEN  
SOUTH SEATTLE COLLEGE  
AND  
CASCADIA COLLEGE**

To create a clear and easy pathway for students of Cascadia College to transfer to and complete their baccalaureate degree at South Seattle College, the Seattle Colleges and Cascadia College enter into this articulation agreement as follows:

1. In order for your students to qualify for the transfer agreement they must:
  - a. Earn Cascadia College's Associate of Applied Science Transfer degree in Environmental Technologies and Sustainable Practices
  - b. Have also completed the following General Education credits (*provisional admittance will be granted to students without these classes but they must complete all credits in order to graduate with a Bachelor in Applied Science in Sustainable Building Science Technology*):
    - 5 credits of college-level transferable Humanities
    - 5 credits of college-level transferable Natural World
    - 5 credits of college-level transferable Math (equivalent to MATH&107 – Math in Society)
    - 5 credits of college-level transferable English (equivalent to ENGL&101 – English Composition I)
    - 5 credits of college-level transferable Psychology (equivalent to PSYC&100 – General Psychology)

*Students may take these classes at South Seattle College or at another accredited institution. Transferability of classes taken outside of South Seattle College or Cascadia College to meet these requirements will be determined by South Seattle College. Students should consult with their program advisor before taking these classes at another institution.*

*Students completing an AAS (non-transfer) degree will be reviewed and may be granted provisional admittance conditional upon satisfactory completion of all General Education coursework.*

c. Complete the following 90 credits of upper division coursework & general education:

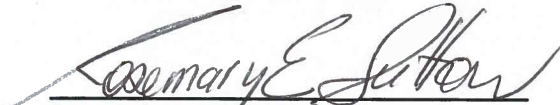

Sustainable Building Science Technology Upper Division Program Requirements		
Course Number	Course Title	Credits
	<b>Upper Division Core</b>	<b>60</b>
SBST 301	Building Science	3
SBST 302	Building Components and Systems	2
SBST 314	Portfolio	1
SBST 315	Workforce Experience Practicum	10
SBST 321	Building Codes in Washington State	2
SBST 322	Energy Analysis and Auditing	3
SBST 325	Internship	10
SBST 331	Financing Energy Efficiency & Renewable Energy	2
SBST 332	Building Energy Codes in Washington State	3

	<b>Additional General Education</b>	<b>30</b>
ENGL& 102	English Composition	5
PHYS&	Elective	5
CMST&	Elective	5
BUS 210 or MATH& 146	Business and Economic Statistics or Introduction to Statistics	5
ICS	Social Science Elective	5
VLPA	Humanities Elective	5
	<b>Total Credits</b>	<b>90</b>

- d. Achieve a minimum cumulative grade point average of 2.5
  - e. Meet the admissions criteria for South Seattle College in effect at the time of their application.  
<http://www.southseattle.edu/programs/bas/sustainable-building-science-technology/>
2. South Seattle College will place students meeting the above criteria in a competitive pool for selection by the admission committee for:
- a. Acceptance into our Bachelor of Applied Science in Sustainable Building Science Technology degree program;
  - b. Necessary academic advising to meet the program requirements; and
  - c. Transfer as a block of ninety (90) quarter credits for the Bachelor of Applied Science in Sustainable Building Science Technology.

*Note: Curriculum/course requirements are subject to change by the Sustainable Building Science Technology program at South Seattle College. Students will be required to meet any new requirements established for the program.*

3. No financial commitment whatsoever, on the part of either signatory to this general document, is intended and implemented.
4. This agreement shall remain in effect for a period of five (5) years from the date of the last signature, with the understanding that it may be terminated by the appropriate authorities of either party in writing with at least 90 days notice. Renewal of this agreement will be based on an evaluation of student success and review of Cascadia College's degree curriculum.
5. Students are responsible for all necessary documentation to attend the college.
