Income Verification Worksheet 2022-2023 **(DEPENDENT)**

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called verification. The law says that before awarding Federal Student Aid, Cascadia must confirm the information you reported on your FAFSA. To verify that you provided correct information, Cascadia will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Cascadia may ask for additional information. To prevent your aid from being delayed, complete and sign this worksheet, attach any required documents, and submit the form and other required documents to Cascadia’s Student Financial Services office as soon as possible.

IMPORTANT: In addition to this worksheet, income verification is required. Every student/spouse will need to do one of the following:
 1) Use the IRS Data Retrieval process through the FAFSA (see instructions on next page to make correction) –or– 2) Submit an official Tax Return Transcript or a signed and dated copy of the Income Tax Return. (See page 2 on how to obtain an IRS Tax Return Transcript).
