

New Account Setup at Cascadia College

Canvas

Canvas is used for connecting to most of your courses at Cascadia College. All accounts and course enrollment is created automatically as information exists in the student registration system.

- Navigate to <https://cascadia.instructure.com>
 - Login: Your Student ID Number
 - Password: The first 8 characters of your last name (all lower case), or continue typing your last name until you've reached 8 characters
 - Example: Long = longlong; Me = memememe; Smith = smithsmi
- Please log in from a computer or laptop the first time, not using the mobile app.
- Email elhelp@cascadia.edu if your password does not work
- Free Resource [TechConnect WA](#)
 - Staff speak the following languages: Spanish, Tigrinya, Afaan Oromoo, Amharic, Sidamo, Wolaytta, English

Cascadia Network Account

This account is used for connecting to the campus computers, printing to the campus printers, creating an UWNet ID (library account), campus email, free Office 365 download, remote campus computer access, and checking out technology from the help desk.

- Connect to <https://accounts.student.cascadia.edu>

- Under “Access Your Account” select “Look up your user name”
 - Enter your Student ID number
 - Enter your pin number (birth date mmddyy)
 - Enter your birth date
 - Press Lookup
 - Write down your user name. Your Cascadia email address will be that username@student.cascadia.edu (example: johnqsmith@student.cascadia.edu)
 - If you do not plan on using your Cascadia College email address, you may want to set-up this email account to forward messages to your primary or personal email address. Some departments within Cascadia College may use your Cascadia email address to communicate with you.
- Return to Student Account management
 - Under “access your account” select “reset your password”
 - Enter your Student ID number
 - Enter your pin number (birth date mmddyy)
 - Enter your birth date
 - Press “next”
 - When prompted, type in your password and then confirm it

Create a UW NetID account

Go to [Get Your UW NetID](#), then:

- Select “I don't have a UW NetID” and click “Next”
- Select “Cascadia Student” and click “Next”

- Enter your Cascadia network user name and password, then click "Login"
- Follow the onscreen instructions to create a UW NetID and password
