

Setting up Your iOS Device for Eduroam

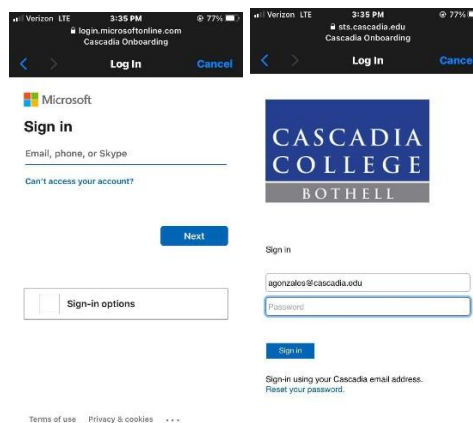

1. Open Safari web browser and navigate to <http://onboard.wifi.cascadia.edu> or select “Eduroam Onboarding” from your Wi-Fi options (When on Campus).

NOTE: Other web browsers will not work correctly.

2. Tap “Sign In” to begin the onboarding process.

3. You will be re-directed to a Cascadia College sign-in page. Enter your Cascadia email and password, then tap “Sign in”.

4. Tap “JoinNow”.

5. Tap “Allow”.

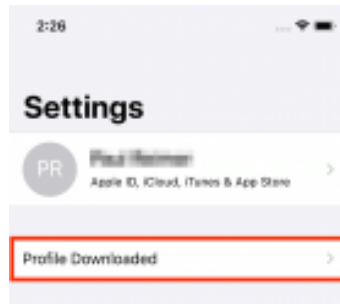

6. Tap “Close”.

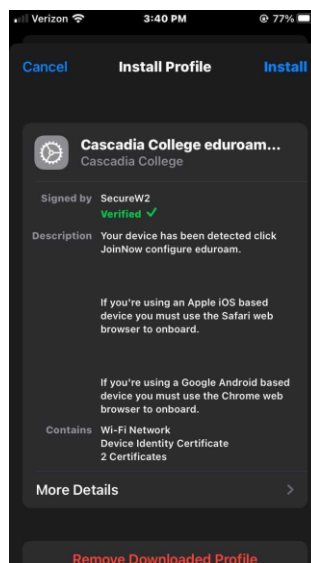

7. Navigate back to your home screen and tap “Settings”.

8. Tap “Profile Downloaded”.

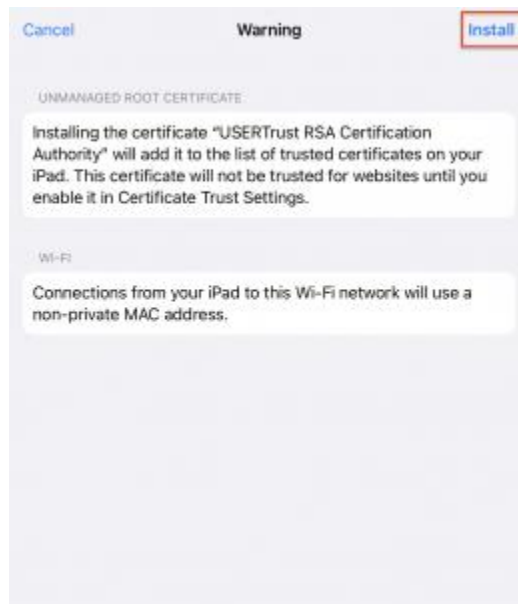

9. Tap “Install”.

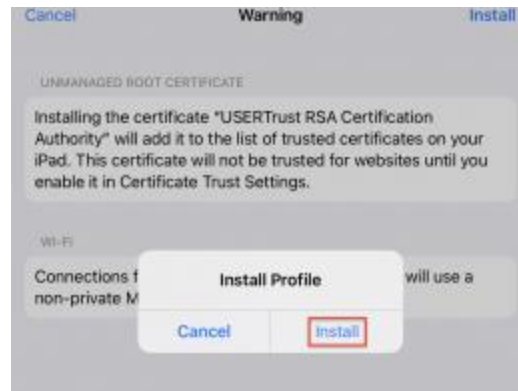

10. Enter your lock screen passcode.

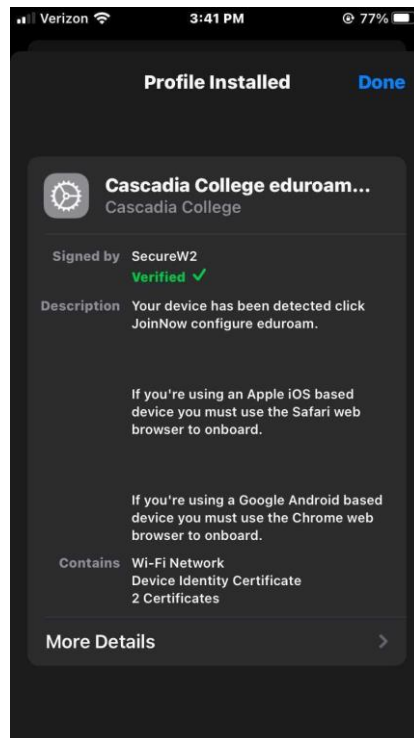

11. Tap "Install".

12. Tap "Install".

13. Tap “Done”.

14. Tap the “General” then Tap “Settings” to take you back to the main menu. Tap “WLAN”, wait a few moments for your device to scan available Wi-Fi networks. Select the “*eduroam*” Wi-Fi network and your device will associate with the Wi-Fi network. This step only needs to be completed once after the first onboard.

15. When your device is in range of an *Eduroam* network it will automatically associate.
