Logging in to Zoom

To complete this process, you must have a Cascadia network account and you must know your user name and password. If you do not know this information, please contact the Information Services Helpdesk at 425-352-8228 (extension 2-8228 from on campus) or via email at helpdesk@cascadia.edu.

1. Browse to https://cascadia.zoom.us/ in your favorite web browser. Even if this is your first-time using Zoom, and you don’t have an account, click on the “Sign In” button.

2. You will be redirected to a Sign in Page which will prompt you for your user name and password. Please enter your username in the yourusername@cascadia.edu format (your email address). After entering that information, please click the “Sign In” button.
3. You should now be logged into Cascadia’s Zoom instance and see a page similar to the one shown below with your Zoom account information shown and options to schedule, join or host a meeting.
